**Important news about changes  
to your clients' health plan  
coverage for 2015**

Dear Valued Agent,

We'd like to share some good news for 2015 regarding our health plans.

**We're making it easy for your clients who have health plans that are changing in 2015**

If their anniversary dates fall on or after January 1, 2015, your clients' plans will be amended. As part of this amendment, pediatric dental benefits will be embedded in the plans. This means that your clients will not see a separate charge on their premium bill for the required pediatric dental plan.

**We have renamed our Anthem Blue Cross (Anthem) portfolio of plans**

- Each name will contain the metal level, network name, product type, copayment or deductible, coinsurance and out-of-pocket for in-network benefits.
- The contract codes will change for each plan, as well.

As your clients begin to renew on or after January 1, 2015, their employees will each receive a new Member ID card and a new Evidence of Coverage (EOC). Please see the enclosed sheet for information on your clients' new plan names and contract codes.

**As always, we're here to help**

We will be sending you more detailed information about all of the changes to your clients' plans. In the meantime, if you have any questions about our 2015 plans or your clients' plan changes, please contact your Regional Sales Manager or call Broker Services at 1-800-678-4466.

Thanks for being a valued partner,

Joe Greenberg  
Vice President and General Manager  
Small Group Business
