

Quick Reference Guide

An at-a-glance guide for 2011-2012 demarketed plans and plan name changes

This guide shows you the plans that will no longer be available (demarketed plans) alongside our suggested replacement plans. It also allows you to match former plan names to their new plan name counterparts in the new portfolio. These changes are also for non-California residents, if applicable.

For details about benefit changes, refer to the “2011 Large Group Benefit Modifications” grid. For general plan overviews, look at the *Solutions at Work* sales brochure.
