Important Premium Information

May 2017

Dear <Member first name> <Member last name>:

ID number: <XXXXXXXX>

We would like to thank you for choosing **Anthem Blue Cross and Blue Shield** to help with your health care coverage needs. We value the trust you have placed in us.

Effective July 1, 2017, the [monthly] [quarterly] [semi-annual] [annual] amount of your premium will be <\$XXX.XX>.

Your statement, coupon book or automatic bank account deduction will reflect the premium change. If you pay through an employer group, we will notify the benefits manager of the new premium. For those members that use a coupon book to pay their premiums, you will receive an updated book. Please use your remaining coupon(s) to make your payment before using the new coupon book. [This rate [also] does not include any applicable discounts [, such as a \$2.00 monthly savings if you pay by bank draft.]] [Any discounts for your premium will be applied to the billed amount shown on your billing statement.]

Any change in your premium does not affect your benefits. If you would like to stay with your current coverage, just continue making your premium payment.

If you have not enrolled in our automatic draft payment option, now is the time to think about joining.

Automatic draft is a convenient way to make your premium payment. No matter where you are or what you are doing, you can be certain your payment will be on time, every time. In addition to saving postage, you will get a discount of up to \$24 per year (\$2 per month). This discount only applies to monthly automatic draft premium payment. For more information, or to enroll, please contact Customer Service and ask for the Medicare Supplement Premium Payment Form.

ScriptSave® Prescription Savings Program provides instant savings at the pharmacy.

Your membership in our Medicare Supplement plans provides you access to many discounts. When you first enrolled, we partnered with Medical Security Card Co. who sent you a Prescription Savings Card. With that card, you can get instant savings at the pharmacy on brand and generic prescription medications for anyone in your household – even your pets. Save up to 80% on your prescription medications at more than 62,000 participating pharmacies nationwide. Simply present the Prescription Savings Card at the pharmacy – it is that easy. And even if you are enrolled in Medicare Part D for your drug benefits, you can still use this card to get discounts on prescriptions **EXCLUDED** under your Medicare Part D prescription drug plan. If you need a replacement card or additional information on this program, sign into your account at **www.anthem.com**. We have enclosed important information we are required to send to our members each year.
